<<<<< Activity Coordinator >>>>>
***** Office Procedure Changes !! *****

The H.V.R. office has been working diligently to streamline the paperwork required by the office to maintain records and to keep the database current. All forms are being reviewed and several changes are being made to reduce the amount of time required to complete them.

Effective immediately!! All groups that have held their activity on the same day(s) of the week or the same

day of each month (i.e. second Monday), at the same time and at the same place **WILL NOT** have to submit any paperwork to schedule their activity in the future. These activities will automatically be included on the new seasons' calendar. Of course, if a new chairperson has been named, the office should be contacted immediately by submitting a Request for Use of Recreation Hall or Annex indicating the name and telephone number of the new chairperson.

All proposed **NEW** activities or **SPECIAL EVENTS** MUST be approved by the Activity Coordinator to ensure that conflicts do not arise. All NEW activities will be scheduled on a first-come first-served basis. On certain occasions, such as memorial services for a deceased member, will take precedence and the chairman of the scheduled activity will be contacted that such occasion has been scheduled.

NOTE: The chairman of an event or function scheduled in the Clubhouse should contact a member of the Maintenance Committee in advance of the event so that the air conditioning/heating can be adjusted accordingly. If the audio system is required, complete the applicable section of the Request for Use of the Hall and the Audio Committee will be notified.

<<<< Architectural Committee >>>>

The Architectural Committee will meet during the winter (October to March) every Thursday morning at 9:00 a.m. During the summer they will meet as requested.

If you now have a patio and wish to enclose it, you will need a permit. Anytime you pour concrete and do framing, **YOU NEED A PERMIT**. For dimensions, restrictions and other information, start by picking up the questionnaire packet located on the bottom rack of the plastic stack file on the office counter. If you still have questions, contact any member of the architectural committee or come to the meeting on Thursday morning so you can be helped.

The procedures to follow are simple:

- 1) Pick up packet from the office;
- 2) Complete; sign forms in BLUE ink;

- 3) Take all packet contents to Hidalgo County Planning Dept. along with copy of your property DEED and documentation of WATER HOOK UP to obtain permit;
- 4) Submit a copy of the permit to the office or to the Committee;
- 5) NOTIFY Committee when mobile units are scheduled to be set up, when an awning frame is being started and when pouring of concrete is scheduled;

IMPORTANT !!
Hole Under the Door (This is scary!)

I approached my truck from the passenger side to place my computer bag in the front passenger seat. As I reached to open the door I noticed there was a hole right under my door handle. My first thought was "someone has shot my truck". I began to think about it and inspect the hole a little closer and the "light" slowly began to come on.

I phoned my friend who owns a body shop and asked if he had any vehicles with damage to the doors that looked like a bullet hole. "Yes, I see it all the time. Thieves have a punch and place it right under the door handle, punch a hole through it, reach in and unlock it, just as if they have a key. No alarms, broken glass or anything."

I then placed a call to my insurance agent and explained the situation to him. I was puzzled that they left my GPS and all other belongings. Here is where it get scary!

"Oh no" he said. "They want the break-in to be so subtle that you don't even realize it. They look at your GPS to see where home is or check your address on insurance and vehicle registration in your glove box. Now, they know what you drive, go to your home and if your vehicle isn't there, they assume you aren't and

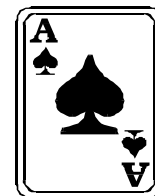

break into your home." He said they will even leave a purse or wallet and only take one or two credit cards. By the time you realize there has been a theft, they may have already had a couple of days or more to use them. (Didn't realize my situation for two full days!) They even give you the courtesy of re-locking your doors for you.

Periodically walk around your car, especially after you park at a shopping center or other large parking area. Report immediately...the police, your bank with missing check numbers, your credit card agencies and insurance companies, etc.

One would have to look pretty darn close to notice a hole like that one. If the hole was on the passenger side, it could go on unseen for a long period of time.

Joy Cicero, President/Potomac Columbiettes

JACK OF SPADES
50/50 RAFFLE !

A WINNER EVERY WEEK !!

*The cards from a regular deck of play cards (minus jokers and deuces) will be placed in individual sealed envelopes.

*They will then be shuffled so no one knows which card is in which envelope.

*These envelopes are then locked in a case which will remain the H.V.R. office.

*The committee will sell raffle tickets at \$1.00 each which will be placed in the weekly drawing that will take place at Hidden Valley Ranch on Thursday at 12:30 p.m.

*The raffle ticket that is drawn will tell us the weekly winner who will then choose an envelope. If that envelope contains the Jack of Spades the person wins 50% of the money and the committee keeps 50%. If it is not the Jack of Spades the money rolls over to the next week; all the raffle tickets are thrown away; new tickets are then sold for the next week's drawing.

*If the winner is not present at the time of drawing, an independent person will draw an envelope on behalf of the winner.

*The raffle will continue for 18 weeks even if the Jack of Spades is found -- if there is a winner before the end of 18 weeks, a new raffle may be started with a new set of cards and continue until the end of 18 weeks.

*If the Jack of Spades is not drawn, then each week the winner has a chance to win \$30.00 per face cards or \$20.00 per number cards.

Tickets will be sold each Monday and Friday from 9:00 a.m. to 12:00 noon at the Clubhouse.

The drawing will be held during the Wednesday Bingo game at intermission. Participants do not need to be present to win.
