## PRESIDENT'S COMMENTS

On behalf of the Board of Directors, thanks again to everyone for attending the February general membership meeting. This meeting was the largest meeting ever with 521 members in attendance and 113 proxies submitted. We're sorry that the voting to reconsider took so long, but the Board felt it was important to handle this matter in this way. The best way to find out what is happening is to attend meetings and we hope you will continue to attend.

In the future Board of Director meetings will be scheduled at 9:30 a.m. rather than 9:00 a.m. Also, the officer/member sessions will continue through the month of March at 10:00 a.m. on Mondays.

We wish to thank all the members for volunteering this past season and the full-time members who continue to serve H.V.R. all year long.

We hope everyone has a safe trip home and we look forward to seeing you all in the fall!

Jim Reiland, President

## JACK OF SPADES 50/50 RAFFLE ! A winner every week!

\*The cards from a regular deck of playing cards (minus jokers and deuces) will be placed in individual sealed envelopes.

\*They will then be shuffled so no one knows which card is in which envelope.

\*These envelopes are then locked in a case which will remain the H.V.R. office.

\*The committee will sell raffle tickets at \$1.00 each which will be placed in the weekly drawing that will take place at Hidden Valley Ranch on Thursday at 12:30 p.m.

\*The raffle ticket that is drawn will tell us the weekly winner who will then choose an envelope. If that envelope contains the Jack of Spades the person wins 50% of the money and the committee keeps 50%. If it is not the Jack of Spades the money rolls over to the next week; all the raffle tickets are thrown

away; new tickets are then sold for the next week's drawing.

\*If the winner is not present at the time of drawing, an independent person will draw an envelope on behalf of the winner.

\*The raffle will continue for 18 weeks even if the Jack of Spades is found -- if there is a winner before the end of 18 weeks, a new raffle may be started with a new set of cards and continue until the end of 18 weeks.

\*If the Jack of Spades is not drawn, then each week the winner has a chance to win \$30.00 per face cards or \$20.00 per number cards.

**Tickets will be sold each Monday and Friday from 9:00 a.m. to 12:00 noon at the Clubhouse.**

I have been in many places, but I've never been in Cahoots. Apparently, you can't go alone; you have to be in Cahoots with someone. I've also never been in Cognito. I hear no one recognizes you there. I have,

however, been in Sane. They don't have an airport; you have to drive there. I have made several trips there, thanks to my friends, family and work. I live close so it's a short drive there. I would like to go to Conclusions, but you have to jump, and I'm not too much on physical activity anymore. I have also been in Doubt. That is a place to go and I try not to visit there too often. I've been in Flexible, but only when it was very important to stand firm. Sometimes I'm in Capable and I go there more often as I'm getting older. One of my favorite places to be is in Suspense! It really gets the adrenaline flowing and pumps up the heart! At my age I need all the stimuli I can get! And, sometimes I think I am in Vincible but life shows me I am not. People keep telling me I'm in Denial but I'm positive I've never been there before! I have been in Deepshit (excuse my French) many times; the older I get, the easier it is to get there. I actually kind of enjoy it there. So far, I haven't been in Continent, but my travel agent says I'll be going soon.

## CLOSE UP TIPS FOR MOBILES, PARK MODELS, RVS AND SHEDS

1. Cover all furniture and beds with lightweight plastic sheeting.
2. Cover toilet bowl and tank with plastic wrap after filling with water, then close lids. Turn water off on stool. (DO NOT put cooking oil in your toilet -- it makes a mess!)
3. Fill a large container with water (at least five gallons, if possible) and leave in bathtub and other rooms to provide moisture during the hot summer.
4. Put zip lock bags one-half full of water and place over each drain (sinks, tubs, showers and washer drains, etc.) -- keeps the sewer gases and critters out.
5. Take batteries out of clocks, smoke alarms and carbon monoxide detectors.
6. Put mothballs and possibly Decon under your house.
7. Remove hot air furnace registers, wrap with foil and replace.
8. Crinkle newspapers and put in refrigerator and freezer along with charcoal; close doors.
9. Turn water off going into mobiles, park models, permanent RVs and sheds. Turn off hot water heater at breaker box if you leave the power on. Water heater may be drained.
10. Make arrangements to have your property and yard cared for (weed control, plant watering, cutting of lawn, etc.) Complete form to advise association office as to who is responsible for your property during the summer. Consider insect/termite control around the perimeter of your buildings.
11. Lock outside electric boxes; put spare key in place where it can be located upon your return or in case of an emergency.
12. Ensure that your telephone and electricity providers have summer addresses for billing purposes.
13. Consider having telephone service put "on vacation" to ensure getting the same telephone number for next season. For vacation, you must first contact your long distance provider, then SBC. This will also expedite telephone service upon your return. A call to SBC's 800 number in advance will allow telephone service to be in place prior to or at the time of your arrival back in the Valley.
14. Secure your property; i.e. security doors and windows and motion detector lights.
15. Turn off all propane; storing propane gas grills in your shed with the bottle partially or completely full may be risky. Consider other options.
16. Forward mail, if appropriate. Place a note in or on your mailbox, then tape your box closed to prevent a temporary carrier from leaving mail. Cancel your newspaper.
