PRESIDENT'S COMMENTS

Dear Residents of Hidden Valley Ranch,

We are indeed fortunate in that we live in a park where many people volunteer. There are all sorts of things that the volunteers do. The elected jobs like board members, secretary, treasurer, etc. Other types of jobs are committee chairman and the people on the committee. Then there are the jobs, not elected and not on any list. This includes the walkers who put the newspaper on your deck or steps each morning. No one appointed them. They just decided to make your life a little better. . The two women who volunteered to clean all the dish towels from the kitchen. And all the others who see a need and do it, just like that.

All volunteering is important and two excellent examples are the two recent volunteer events. The Craft Show and the picnic with Leisure Valley. Without full cooperation these events would not have happened and been the successful events that they were.

The season is coming to an end. Only one month left. It has been an outstanding time and the board and I look forward to more great events and cooperation like this year in the fall. Please drive safely back north and have a wonderful summer. Return safe, healthy and happy. Hope next winter will be warmer.

Summer residents meeting on Monday, March 31st
at 3 p.m.

Thank you sincerely, Jim Reiland, President

NU-STEP MACHINE

I would like to thank the Nu-Step committee: Mike and Karol Lippert, Rick and Sharon Radl, Lyle and Darlene Shaver, Dale and Carolyn Brockway, Jack and Jeanne Moore.

After approximately 300 hours and 2 years this committee raised \$3,171 toward the purchase of another Nu-Step exercise machine. With their dedication this project was a success

Many THANKS TO YOU ALL OF YOU THAT DONATED MONEY TO MAKE THIS HAPPEN!
Bill Anderson, Chairman

SWISS STEAK DINNER

Thank you to all who attended the Swiss Steak Dinner at the Clubhouse. It was a rousing success. The kitchen staff had some questions as to who was putting this meal on. The meal was sponsored by the Hidden Valley Ranch Home Owners Association with all the proceeds going to the association treasury. The bike club works along with other residents of Hidden Valley to put this meal on. I hope this clears up any misconception that the Hidden Valley Bicycle club profits from this dinner. We do it as a service to our community.

During June 2013, HVR had to drain the swimming pool and acid wash the entire pool due to algae, bacteria, and high calcium build-up. As a result, on 6/10/13, the information below was posted on the doors inside the swimming pool entrances:

"We have had to drain the swimming pool and acid wash the entire pool due to algae, bacteria, and high calcium build-up. Leslie's Pools tested the water and the noodles and they both had high levels of calcium and bacteria. Therefore, the board removed the noodles from the pool. Please do not leave your noodles in the pool area so this problem can be alleviated. Any noodles left will be destroyed. **Also, we have to close the pool from 7 am to 8:30 am on Monday and Thursday mornings so it can be properly cleaned.**"

Thank you, Jim Reiland, President HVRPOA

This is a reminder of the need to maintain good cleaning practices for the HVR Swimming Pool.

Swimming Pool Committee

What side of the road should walkers use?

Really, we hate to mention this, but there are too many people not walking in a safe manner.

Walk facing the traffic so that you can see oncoming traffic and that drivers can see you.

Wear light clothing, so that drivers can see you.

ANOTHER EXAMPLE OF VOLUNTEERING

A feeling of gratitude goes out to the crew that power washed the men's and women's bathroom floors and hallway. Also, they wiped down the walls and doors and gave them a good cleaning. Thank you guys

Bill White, Stan Kirschbaum, Stan Peery, and Ed Walker

IMPORTANT NOTICE !! **YOUR VOTING RIGHTS & RESPONSIBILITIES***

Voting isn't just a right of membership; it's your duty to vote when you have an opinion about a matter being decided. You all know how important one vote can be. By failing to vote, you allow others to make the decision, which is the same as having voted for the prevailing side. Whether you vote or not, you're still in some way responsible for the decision that's made.

Although it's your duty to vote when you have an opinion, you can't be forced to vote. You have the right to remain neutral. In fact, some situations demand that you refrain from voting even if you have a legal right to vote. The abstention rule is a *should* rule. Just as you can't be forced to vote, you can't actually be compelled not to vote.

Abstentions do not count. If you abstain from voting, you have not voted. The fact that you were in the room doesn't make any difference unless the result is based on the number of members present. Figuring abstentions into vote totals or noting them in the record is never correct unless the vote is a roll-call vote. Then, it's only important that the records shows you were present. Your abstention still doesn't count as a vote.

Key points in counting ballots: (1) Blank votes are treated as scrap paper and don't count at all; (2) Each question on a multipart ballot is counted as a separate ballot. If a member leaves one part blank, the votes entered on the other question *aren't* negated; (3) If a member votes for few choices than positions to be elected, the vote is not illegal; (4) Small technical errors, such as spelling mistakes or marking an X when a checkmark is called for, *don't* make a vote illegal as long as the voter's intent is discernible.

(*The above information was obtained from Roberts Rules for Dummies, a clear, easy-to-use guide that makes parliamentary procedure simple to understand and apply.)

(H.V.R. Bylaws require a simple majority of votes (MORE THAN HALF) to pass ordinary motions and bylaw amendments may be adopted by two-thirds of the quorum.)

PLEASE ATTEND MONTHLY MEETINGS
MAKE YOUR VOTE COUNT
DON'T FORGET TO SIGN YOUR BALLOTS

H.V.R. RULES COMMITTEE

<<< Activity Coordinator >>>

All groups that have held their activity on the same day(s) of the week or the same day of each month (i.e. second Monday), at the same time and at the same place, WILL NOT have to submit any paperwork to schedule their activity in the future. Of course, if a new chairperson has been named, the office should be contacted immediately by submitted a Request for Use of the Hall and/or Annex indicating the name and telephone number of the new chairperson.

If you still have questions, contact any member of the Architectural Committee or come to the meeting on Thursday morning so you can be helped.

The procedures to follow are simple:

- 1) Pick up packet from the office;
