We, all the members this accomplished by working together. We have wonderful committees and a good board with a positive vision. Now we can keep on keep on or fall back and go back to the negative past. I prefer positive, What about you? We can do the positive by getting people to run for the board. Work in the office, serve as committee chairs, organize fundraisers, etc. Please come to the meeting Saturday, December 13. We need your input. That is the day nominations for the board end. If we do not get people to run for these 5 offices, the board then appoint who they want, that will end our democracy as we know it at Hidden Valley Ranch. See all of you at 9 a.m. sharp

## COMMENTS FROM THE EDITOR

This park is successful for one reason, the people who volunteer. Volunteering is essential and we will not thrive without people deciding to help. With this in mind, what will happen if not enough people run for the board. One can only speculate what might happen.

It takes special individuals to decide to run for a position. When there are enough people running for a position, there will be some people who do not get the most votes to obtain a position. You are to be commended for stepping forward to run for an office.

Being on the board required a lot of effort and time and sacrifice. You will be praised by many and criticized by a few.

Note: Any member wishing to submit a report, announcement, article or other information, including notes of thanks, should prepare same and submit to the editor at [vera.ludwigsen@yahoo.com](mailto:vera.ludwigsen@yahoo.com) or 262/844-5869  
Help: I could use some help in preparing the newsletter. Proof reading, copying, etc. Call or e mail if interested.

I welcome comments and constructive criticism. Negative criticism can be sent to [neg.crit@aol.com](mailto:neg.crit@aol.com)  
Thank you.
