### Summer of 2018

The past Summer has been a very hot one in the Rio Grande Valley as well as all over the country but, most of us have Summered OK. We've also experienced quite a bit of rain in most places—especially in the Eastern areas. It's the hope of most of us that we will have a little bit nicer weather this Winter than in the last. It's now time for us to begin to get back in the HVR and settle down for the coming Winter.

As for your Editor, we've spent most of the Summer in the process of selling our property in the Wichita, Kansas area. It's been "out of the house" for a showing many days and sometimes more than one in a single day. This task was finally accomplished in September and we are now settled in the Golf View Area where we purchased a brick home at 7414 Golf that we will call home permanently. We do plan to have at least one lot in HVR for as long as you would like us to stay with you.

Some of you have asked whether we will continue to perform duties in HVR in the same manner we've utilized in the past 4-5 years. The answer is "yes" - it is our plan to continue for as long as you HVR members and the HVR Board of Directors want us to except that age and health could get in the way at some point in time.

This past September 29, I reached the ripe old age of 86 and the Doctors have indicated that everything that's important is in very good shape for the age. Sue has experienced somewhat more dis-comfort with her crocked spine but she is on medications that help to some degree. Our Lord and Savior has been extremely good to us to this point in life and we ask your prayers that we can continue for some time to come.

Please accept our most sincere appreciation for allowing us to be a small part of the HVR community.

### Special Notice to all HVR Activities

Space in the Newsletter will be reserved for the use of all activities of HVR providing their leaders help out by sending special information about their activities to us for publication. All information to be published must be in our hands or on our computer by the 20th of each month of publication. We must have ample time to make sure your information is properly included in the publication.

Please give us your undivided attention and remind yourselves to make this a priority for the 2018 and 2019 Winter Season.

Sincerely,

*The Editor*

### Monday Night Professional Entertainment 2018-19 Schedule

The Monday Night Entertainment program at HVR has brought many people from HVR as well as from other parks in the Valley area to experience Great Family Type entertainment at a fair price. We try extra hard to present Professional groups for your enjoyment that rate very high on our list of what to do and how to do it.

Our 2018-2019 Schedule will appear in the Decemberr newsletter and everyone is encouraged to attend when it is possible for you to do so. If there are any questions or comments on this subject, please contact either Sue or myself at the following phones or e-mail address.

Lee at 316-655-3272, Sue at 316-734-1402 or either at [lee.sue.dodd@gmail.com](mailto:lee.sue.dodd@gmail.com).

### Classic Country Jam

I can't say enough for the Jam so, first, I'd like to say that we have experienced record crowds for the Classic Country Jam, and

The area we'd like to concentrate on for the Jam of the 2019 Season would be to expand the listening audience. Sue and I do our best to produce each Jam in a manner that is very comfortable for all the Jammers and Listeners. Please do your best in 2019 to help us reach the goal of possibly 200 people per week. We want to especially THANK you for your support in 2018 and look forward to being able to win the promotion and support of at least 60% of the HVR residents in 2019.

We are not saying support just our activities, but rather, let's all support each other in everyone's activities and I'm sure from past experiences, we'll reach our goals for all HVR activities

THANKS AGAIN go to our Volunteers for all the effort they put in—we just couldn't make it happen without them.

THANK YOU—THANK YOU—THANK YOU!

**See you in December, 2018!**

### The Gospel Message in Song

This Gospel Jam is a relatively new project but is growing rapidly. It is our hope that efforts toward spreading the Gospel Message to greater numbers of people of the Valley area will be a true blessing from our Lord Jesus Christ.

This Jam will meet on the 2nd and 4th Sunday Afternoons during January, February and March. Some Sessions may feature Special Gospel Groups aimed toward Missionary efforts. They will be handled on a Free-Will Basis with no set Admission Fee. Meet us there for great fellowship.
