President's Message

I would like to thank the HVR membership's vote of confidence in the recent election – thank you! Along with that I would like to thank all the candidates who ran for positions on the leadership board.

Thank you to the existing Leadership who are exiting office after all their years of service.

Our Leadership has many goals set already, so we must roll up our sleeves and work together with transparency so that our HVR members have confidence in our decisions. With that being said, we need our membership to be at our monthly meetings in order to meet quorum requirements so that we can conduct HVR business in expedient fashion.

Thank you again.

Roger Giles-HVR President

The New Year

The New Year has come and gone with many resolutions being broken already. Please be mindful of the fact that, if we really want to change, we must stick to those resolutions that actually affect or lives in any way. Our Lord Jesus Christ will help us get through the effort if we really do mean it.

Creative Quilting

Our quilting group has had an eventful January. The annual Quilter's shopping trip was a great success. We went to Cassino's place

for fabric at \$6/yd, then to Dios Rios in little Mexico. After lunch we were treated at Block-Away Fabric store with cookies, a presentation on fabric "Cake Mixes" and a raffle. Also in January we shared a pot luck luncheon. February looks like a busy month also with the RGVQG Quilt Show

coming up on Feb 15-16. On a sad note, the annual quilt presentation here at HVR is cancelled this year due to scheduling conflicts. But the quilt making will go on...

Lose It Gals

We use a standard calorie counting process to lose weight while we learn about healthy eating and food. However, attendees are free to use any approach to their weight journey desired and to simply use us as support and for a place to weigh in, be accountable, and share. Its always more fun to lose with others.

We encourage all to share their ideas, and any information they choose to share about their weight loss journey. In fact we would like for anyone to step up and agree to **lead** our learnings about any dieting or food tips that they feel would be of interest. We strive to do everything with the goal of keeping it fun and informative.

Thursday at 9 am, Main Bldg.-Rear section.

Volunteer Information

The Country Jam is needing to allow 2-4 Volunteer Food Preparation Participants, Rita & Don Cepress and Darlene & MervSpaulding to retire their very much appreciated 18+ years of service to HVR's Jam at the end of this Season. These people have viewed their effort as one method of helping to run this great par, as is needed. They believe it is the responsibility of all residents to offer some help toward keeping the park operating smoothly and acceptable to all.

These positions are extremely important and, therefore,, require a special interest in the art of food preparation. If you are a family cook who loves to cook for your family, you are a very well qualified person to prepare food for our Jammers and listening audience. If you possess the required interest in food preparation and are willing to put forth the effort require, please contact one of us at your earliest convenience and we'll see what might be able workable to the whole park.
