President's Message

I want to thank all the volunteers again for all they do for us, we couldn't do it without all of you!

Just a reminder that our new By-Laws are in effect! The quorum requirements are now 21% or 175. I urge all of you to come to the monthly meetings - it is your park!

I hope all of you remember that March 9, 2019 is going to be HVR cookout and all are invited! Please bring a side dish and enjoy the meat on us. The Officers and the Board of Directors encourage each of you to enjoy the family atmosphere starting at 11:00 AM 'til 2:00 PM - bring games if you wish.

I want to wish everyone well as they start to return home - be safe and have a great summer and we'll see you next season.

Roger Giles - HVR President

Teamwork? YES!! - Everywhere!

Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results." – **Andrew Carnegie**

Great teamwork is the only way we create the breakthroughs that define our careers."
– **Pat Riley**

The 2019 - 2020 Classic Country Jam

This Jam has been a real plus for HVR in that it has maintained a very good audience as well as Jammers through out this Winter Season. It is expected to continue in the same manner through the Month of March.

We're beginning to think about the 2019-2020 Season and what we feel might need to be accomplished

yet this year in order to continue the Classic Country Jam through the next Season. If you have suggestions, that might help us with the Jam, please forward them to

Special Quote of the Month

Trying doesn't matter when you always fail, next month try and don't fail, if you believe it will work.

Your ability to get through problems as things get harder, that's a hundred times more powerful than slapping a smile on your face, pretending that everything is fine.

NOTICE: Water Aerobics

Water Aerobics is accomplished by CD Music - no teacher is needed. We work out as a group or alone - too cold for friends but not for you? Come anyway. The CD player is located in the blue cabinet by the back wall - right side of window. The key is located on the side of the cabinet and the electric plug is located near the deep end on the West wall. Enjoy to the fullest!

If you have further questions, please call

Glenna Perry at 810-577-9855.

The Gospel Jam

This Jam features an all-Gospel program that is open to the public. It has experienced attendances of anywhere from 65 -103 people so far this season operating on 2nd and 4th Sunday Afternoons from 1:00 - 3:00 PM.

Our plans for next Season are being discussed at this writing and we'll talk about them soon. Please plan to visit with us during this last month of operation this year and try to identify anything that might help with it's operation. We feel you can be fully aware of the Jam and what it can mean to the Hidden Valley Ranch during those visits.

Thanks for your support. **Lee & Sue Dodd**

Volunteering Services to HVR

Since the beginning of this park, volunteering has been the life blood to keeping the fees reasonable and the expenses at a minimum.

As a current board, we would like to thank all of those people who give an hour to those that give many hours to keep the park running smoothly. We have a beautiful park and to keep it that way we continue to need volunteers. For the new people in the park that have not had or not taken the opportunity to put your skills to work for the betterment of the park, but would like to, please come to the office and give your name. Retiring to golf and relaxing is wonderful and that is what we all came to do, but, volunteering gives an opportunity to meet a lot of different people who have various skills and knowledge that we can use. Please consider sharing those talents.

Creative Quilting

Craft and Quilts on display

Saturday March 2

Come see what your “crafty” neighbors have been up to this season. On **Saturday, March 2, from noon to 2pm**, works of art will be on display - a combined display put on by crafters and quilters. Projects from the classes in the park as well as individual artists. If you would like to

have your quilt or craft on display, please bring them to the HVR clubhouse by 11:30am on March 2. You will need to remain with your craft and if possible, please put your name on your item. Crafts include painting, embroidery, knitting, Swedish weave, stained glass, paper art, etc.

Come to the HVR clubhouse between noon and 2pm to browse through the many crafts on display.

Hidden Highlights Volume Number

Please note that I have been using an incorrect Volume Number on the Hidden Highlights for my tenure as Editor. That must have been my fault and I take responsibility for it. I have made the change with this March 2019 Hidden Highlights. Thanks to Barbara Frantz for calling this to my attention.

Lee Dodd - Editor

Thank You Volunteers

For your faithfulness and your understanding in all you do for HVR - you're not maybe the best but, THE BEST. Thank you again!

Cookies and Cakes

These items are always needed for the Country Jam and The Gospel Jam along with several other activities of HVR. Please call [Linda Hisaw at 417-337-0617](tel:417-337-0617) for further information. Your help will be greatly appreciated. *Linda Hisaw*

HVR Recycling Program

At the February meetings - both board and park, the issue of the recycling program that was initiated over a year ago was brought up. It has been such a success that a larger trailer is needed to take the recycling items to the recycling center. At both meetings, by a show of hands, the majority indicated they would support the trailer purchase and the continuation of recycling.

The trailer is just one issue of this program. As a park we need to be aware of what can be recycled,- especially the plastic . As consumers we need to be aware of the recycling symbol on the items that are recyclable **ONLY THE TRIANGLE WITH A ONE (1), (2) or (5) IN THE SYMBOL ARE RECYCLABLE PLASTIC**. Now what is a one or two? These would be any milk, pop, water bottles for the most part. There are other items that do qualify and they are marked on the bottom of the item. Glass, cans, newspaper, cardboard are acceptable.

Plastic **NOT RECYCLABLE ARE PUDGING, FRUIT CUPS, COOKIE CONTAINERS, ETC.** These will not have a mark of any kind. Please don't bring these as they take room from the eligible items and goes into the trash at the center.

Be aware the recycling program is accepting all items each Tuesday and Thursday - but please make sure the glass is clean and the labels are removed from the tin cans - otherwise they cannot be accepted.

Not sending recyclable items to the landfill - where most of these items will **NEEVER** decompose would be good stewards on our part. Residents save money by not using as many plastic garbage bags. Recycled plastic is repurposed to make a variety of items. We only have one earth - let's do our part to keep it healthy for the next generations to come.

Lose It Gals

This month the LOSE IT GALS crowned last years "Biggest Loser" with a jeweled tierra and honored her with a healthy low calorie breakfast at Cracker Barrel. Our 2017-2018 Biggest Loser lost 30 pounds during the season. 8 ladies attended and a lot of laughs were had by all. The last few topics

we have enjoyed learning about include the best choices to make at fast food establishments and the nutritional differences in beans, potatoes, and fruits. We are also proud to announce that the Lose It girls have lost a combined total of 80.9 pounds since January 1, 2019.

Our group basically uses a standard calorie counting process and the LOSE IT APP to lose weight while we learn about healthy eating and food choices. However, each attendee is free to use any approach to their weight-loss journey desired and to simply use us as support and/or a place to weigh in, be accountable and share. It's always more fun to lose with others.

We encourage all attendees to share their ideas and any information they feel would be of interest about their weight loss process. We strive to do everything with the goal of keeping it interactive, fun and informative. We meet Thursday at 9 AM, in the main building of Hidden Valley in the rear section. Join us.

Attention All HVRPOA Members

Please put Saturday, March 9, 2019 - 9:00 AM - on your calendar as a very important date! This month we are going to vote on the Covenant Changes that have been recommended and are posted on the white board at the hall.

To be able to vote on these Covenants, we need to have a quorum or it gets pushed off until next year. The Rules committee and the board would like to have this issue decided this year, so new - correct - copies of both the By-Laws and Covenants can be printed and available to each member when they come back next season.

See you there! Bring your neighbors and your friends. Let's get this accomplished.

Outside Bench Maintenance

This project is a very good example of how much an HVR person's Volunteer work will produce. Much work yet needs to be done within the park. New cost of these benches are well above \$150 each and the refinish effort was accomplished by four (4) HVR Volunteers with less than \$30 in materials. Those men were, Bill White, Joe Millburg, Robert Radbourne, and Stan Kirschbaum. Give them a big Hand when you see them.

Volunteer Information

The Country Jam is needing to allow 4 Volunteer Food Preparation Participants to retire. Rita & Don Cephress' 18+ years of service to HVR's Jam at the end of this Season and Darlene & Merv Spaulding to retire after many years of service. Their service has been very much appreciated. These people have viewed their effort as one method of helping to run this great park, as is needed. They believe it is the responsibility of all residents to offer some help toward keeping the park operating smoothly and acceptable to all.

These positions are extremely important and, therefore, require a special interest in the art of food preparation. If you are a family cook who loves to cook for your family, you are a very well qualified person to prepare food for our Jammers and listening audience. If you possess the required interest in food preparation and are willing to put forth the effort required, please contact one of us at your earliest convenience and we'll see what might be workable to the whole park.
