Please take a moment to recognize our Editor Lee Dodd who passed away on October 8, 2019. Lee & his wife Sue have been an intricate part of our HVR Park. Anyone interested in taking over the Newsletter contact the office.

President's Message

Welcome back Winter Texans and Residents of Hidden Valley Ranch, recently we here at HVR have had some losses of our Park family. Hope we all keep all who have had a loss in our prayers.

I know a lot of you are disappointed on the out come of the Covenants vote, and I feel that the Bylaws and Covenants committee have a better plan in place for these updates.

Just a reminder November 8, 2019 @ 9:30am is the open Board meeting and on November 9, 2019 @ 9am will be our first HVR Membership meeting. And please wear your badges to these monthly meetings. Hope to see you all there!

Please give thanks to all our Veteran's!

Roger Giles - HVR President

Teamwork? YES!! - Everywhere!

Volunteering Services to HVR

Since the beginning of this Park, volunteering has been the life blood to keep the fees reasonable and the expenses at a minimum.

As a current board, we would like to thank all of those people who give an hour to those that give many hours to keep the park running smoothly. We have a beautiful park and to keep it that way we continue to need volunteers. For the new people in the park that have not had or not taken the opportunity to put your skills to work for the betterment of the park, but would like to, please come to the office and give your name. Please consider sharing your talents.

HVR Classic Country Jam

Due to the sudden passing of Lee Dodd our current County Jam sessions are going to come to a close, unless someone from the HVR Park would like to step up and keep it going! I know how important these Jams are to a lot of people, help keep it going! Please contact any HVR Board Member if you would like to help.

Creative Quilting

Creative Quilting classes start Wednesday Dec. 4, @ 9:30am in the HVR clubhouse. These are free classes teaching techniques in machine piecing/ quilting. The first class project, a table runner, teaches paper-piecing. A unique technique that delivers perfect points. Next we'll make a mesh tote bag. Supply lists for this year's Creative Quilting class projects are posted on the bulletin board in the back hall and on the hvrpoa.com website. For more information or questions contact Karen Eck (956-432-9215).

Tuesdays & Wednesdays are open in the clubhouse for quilting for anyone whether or not you are involved in the class. So come share your ideas with others.

Volunteer Information

Lee Dodd wore many hats, with saying this we need the following volunteers quickly!

Currently HVR is in need of volunteers for the Monday night entertainment or we will have to cancel all the current scheduled bands for each Monday starting in January 2020. If anyone would be interested please see HVR Board members before the middle of November!

Also if anyone is interested in continuing our monthly HVR Newsletter please contact one of our Board members as we have no one to continue after the month of November.

The Friday night Jams sessions will need someone to continue those too or we will not be able to have this event either.
