### PRESIDENT'S MESSAGE

I would like to spend some time talking about HVR's covenants. These were written many years ago by the builders of the Park. At the time, they were adequate. Over the years some Texas laws have changed as have the needs of our membership, making some of the covenants inadequate, if not unlawful.

Over the summer, Barb Childress and her committee will be working on some proposed changes to address and update these inadequacies, as well as outline the proper procedures to change them. We will at some point be notifying every owner about an upcoming vote next year. Please take the time to read the proposed changes and be prepared to fill out the ballots you will receive in the Fall.

We must not only have almost all members (whose names appear on the deeds) participate in the vote, but we must also have a 66% approval from them for the changes to pass.

A synopsis of the covenant proposals can be found on page 3 of this newsletter. They are not the final wording; that will come at a later date.

On a different matter, it has been a trying year for some members getting the Park affairs restarted after being "closed" in 2020-21, and I want to thank the many Volunteers who helped to get things going once again.

Finally, on a personal note, April and I have to return north about six weeks sooner than normal, so I will leave you in the very capable hands of VP Carol Bishop-Bean and the Board. As always, I am still available by phone or email.

Everyone be careful in your travels, have a great Summer, and we look forward to seeing each and every one of you next Fall.

*Jim Bowans*

## **AMENDING HVRPOA COVENANTS**

**Please note: This proposal is not the final draft. Its purpose, at this early point, is solely to promote awareness and discussion.**

There have been several attempts over the last few years to “update” our Covenants (which were last changed in 2006 – Filing 1580201). These attempts have failed because, unlike voting to change our Bylaws which only requires a majority of a quorum at a monthly meeting, **Covenant amendments require consent of 66% of all owners listed on the deeds.**

While all of the changes proposed have come from HVR members, we have been unable to get enough owners to physically vote to make these important changes. We have 468 properties in HVR. We have 750+/- eligible Covenant voters. In order to amend a Covenant, we must have at least 66% “yes” votes. In 2019, we attempted to make changes to seven Covenants. Unfortunately, only 518 of the owners voted. Over 70% of the 500+ votes were “yes” to make the changes, therefore nothing could be changed.

At this time, we believe that adjusting the percentage to pass Covenant amendments from “at least 66%” to 50% + 1 would be beneficial for the future growth of our park. While that percentage change would not go into effect until after approval of at least 66% of the owners, we would like to outline several currently proposed Covenant updates by explaining briefly why the changes are needed.

**Change 1** Section VI Paragraph 3B (add to)  
Many Casitas have been constructed in the park and have had to adhere to the restrictions outlined for sheds and garages building on the back 50% of the lot. These are small homes and park models that are also used as living quarters approved by the Architectual Committee.

**Change 2** No restriction listed Section VI 3e (add)  
Allow awnings and carports to be 15’ – not designated in current guidelines but requested to cover mobile homes and Casitas.

**Change 3** Section VI Paragraph 14  
Mail boxes are expected to conform to the subdivision standard, which is rubber. Owners would like to put up more decorative boxes with brick, stone or metal which would be approved by the Architectural Committee.

**Change 4** Section VII Sub Paragraph 5d  
Fences: Clarification of fence limitations and need to go through the Architectural Committee.

**Change 5** Section IX Paragraph 2.  
Make 50% + 1 the new threshold for amending the Covenants

**Change 6** Section X Paragraph 3  
Enforcement Standing and Remedies- Covenant violations notification and potential fining if not resolved.

**Change 7** 55 Plus Cov Filing 1580202  
Age restrictions - gives clarification as to what is needed to keep us compliant with Federal and State laws as a 55 or over park.

Alternative Dispute Resolution Committee changes have been addressed by State regulations that supersede our Covenants.

We ask that you review your current copy of the Covenants and compare the changes proposed. Talk to friends and neighbors, or speak to a Board Member if you have questions. Form an opinion and be prepared to vote in January of 2023. Changes will be presented at the December 10, 2022 meeting, showing current and proposed language for each amendment. As per new Texas law, ballots will be mailed out to all voters on Jan 3-4, 2023. Please mark and return to the office during operating hours or return in the post paid envelope provided no later than January 25. We should have results to present at the February 12, 2023 meeting.

## THINKING OF RENOVATING?

New (or any) HVR owners wishing to make ANY exterior changes to their property (such as awning, deck, shed, concrete, etc) are reminded that they must **first seek approval** of their plans from the HVR Architectural Committee, then obtain proper permits from the County. Packets which set out both the Park and County rules and regulations are available at the Office.

The Architectural Committee, headed by Bernie Schiebout, meets every **TUESDAY** 10 am near the main office. Volunteers are needed.

## WELCOME TO OUR RENTERS, TOO

Renters are reminded that no matter if you're renting for just a week, a month, or for the entire Season, **you must be registered at the office.**

As Renters, you of course have access to every Park amenity (except HVRPOA meetings). Your Landlord paid your lot's HOA fees for that purpose, so enjoy all that our beautiful Park offers!

Many long-term owners can attest to starting out as Renters in the Park and subsequently ended up buying a lot. Perhaps you will, too!

repairs in the bud before they become big costly  
repairs. Thanks!

### **J'EVER NOTICE.....**

... it was a lot more fun to be 20 in the '70s  
than it is to be 70 in the '20s?

### **DRINKING FROM MY SAUCER**

I've never made a fortune  
and it's probably too late now,  
But I don't worry about that much.  
I'm happy anyhow!

I thank God for his blessings  
And the mercies He's bestowed.  
I'm drinking from my saucer  
'Cause my cup has overflowed.

I don't have a lot of riches  
And sometimes the going's tough,  
But I've got loved ones around me  
And that makes me rich enough.

I remember times when things went wrong  
My faith wore somewhat thin  
But all at once the dark clouds broke  
And the sun peeped through again.

So as I go along life's way  
Reaping better than I sowed,  
I'm drinking from my saucer  
'Cause my cup has overflowed.  
- John Paul Moore

### **A FRIENDLY REMINDER:**

If you use any Park facilities, clean it up /  
straighten it up when you're through.  
Leave it looking better than when you walked in!

## **SUMMERTIME YARD CARE**

Residents are reminded that yard weeds must be kept under control. It is surprising how quickly the summertime weeds will pop up and thrive through the gravel rocks, despite the summer heat.

Please **make arrangements** with someone to check on fallen citrus fruit and maintain your Summer yard cleanup and weed control spraying as often as necessary.

**Complete the office form** naming your "yard care" person. Without a contact name, you run the risk of forcing the Park to have to hire someone and send you the bill.

There are some yard-care service providers within the Park. Ask around for names. Be sure to collaborate with any provider regarding what your expectations are versus their actual services.

## **UPDATE YOUR PROPERTY ADS**

Postings of "For Sale" or "For Rent" ads for HVR Properties must be re-dated or re-written at least every 12 months or risk being removed from the hallway bulletin board. If you or someone you know has an older ad that is still valid, please re-date the ad or make a new one.

Due to bulletin board space, those **ads must be no larger than 5.5" x 8"** (1/2 sheet of paper).

Posting larger ads or bending the rules by posting two half-page ads for the same location (such as one of photos and one of info) is unfair to other advertisers seeking a spot, and may result in having your ad completely removed.

Let's be fair to all advertisers.

## **RECYCLING PROGRAM**

This program continues through the Summer.

**When?** Every Thursday 7:30 – 9:00am

**Where?** Clubhouse Parking lot (north side)

### **Items recycleable:**

Aluminum beverage cans, Cardboard (flattened), Newspaper, Other paper, Plastic (squashed, please, to save space), Glass bottles (rinsed), Tin cans (rinsed out & labels removed)

### **Items NOT accepted:**

Styrofoam, Batteries, Aerosol cans, Scrap Metal.

Volunteers to help out and/or occasionally drive the trailer to the Recycle Center would be appreciated.

## **LAST DANCE SAT. MAR 12th 7-10 \$8**

Your only exercise for the day shouldn't be searching for the TV remote! Grab a partner and join us for the **last dance of the season**.

Featuring: Diego and Edith

This Pharr couple has been entertaining in the Valley for 12 years. They provide a lively variety of music that's guaranteed to make you want to get up and dance.

## **PENNY IN THE FREEZER ?**

Are you planning to leave your home for a few days or week or longer and are wondering if items are safe in your freezer from a possible power outage? If you return to find your microwave clock flashing, you know your power went off, but you wouldn't know for how long.

Was it a 3 second power fluctuation or a 3 day outage causing food to thaw and then refreeze. You can't necessarily check with your neighbours, as it might have been only your own fridge or freezer "acting up".

One simple solution is to put a glass of water in the freezer. Once frozen, place a coin on top of the water before you leave.

Upon your return, check the coin. If it's still lying on top of the water, everything is ok. If the coin is at the bottom of the glass, you know you encountered a longer power outage – one that warrants throwing out that thawed-and-refrozen freezer contents.

## **FRIDAY GOLFERS' BANQUET**

The HVR Friday Couples golf league will be having a potluck banquet on Sunday Mar 13th from 4 to 6 pm in the main hall.

The Potluck is open only to past and present Friday league golfers.

A sign-up sheet and info can be found on the golf league bulletin board. Please sign up

## **INTER-PARK CRIBBAGE TOURNAMENT**

Final two Scheduled locations:

Mar 4: Trade Winds      Mar 18: Mission Bell

Register: 12:30      Games start: 1:30

Questions? Contact Joe Roberts @ 583-2852

## **CRAFT CORNER**

For next year's projects, our Quilting Group has decided to do something different. Instead of working on a few patterns, we will be focusing on learning and improving techniques that can be adapted to a variety of projects.

Each week, we will concentrate on one specific technique and make a block using that technique. **We will offer a simple example for beginners and a more challenging example for the experienced sewers.** We will also show you tips to make each technique easier.

These blocks can then be combined to complete a row quilt, wall hanging, table runner, or some other project.

Techniques we plan to cover include curved piecing, applique, paper piecing, half rectangle triangles, Y-seams, partial seams, inset circles, English paper piecing, Dresden plates, and "filler" rows or borders.

Please come join us, learn something new, and have a fun time. We will start classes in December, but you can join us at any time.

- Carla Mewhinney

## **COLLECT FALLEN CITRUS FRUIT**

Residents are reminded to please be diligent in collecting fallen fruit around the citrus trees on their properties. This needs to be done weekly so that the rotting fruit does not attract rodents and snakes.

As well, this lot cleanup helps present an attractive Park for potential buyers.

Make arrangements with someone to do this clean-up if/when you're not here in the Park.

## **BRIDGE, ANYONE?**

Looking for bridge players. If interested, call Mary Berger 715.927.4233

## **ANDY Lander's Advice for Men:**

Dear Andy: My best buddy is getting married for the third time, and he's yet again asked me to be his best man. I'm having trouble writing my opening remarks for the toast. Any suggestions?

**Andy here:** All I can think of is, "Welcome back, Everyone!"

Dear Andy: My wife and I argue over wine selections. She complains that I always avoid expensive brands and buy the cheaper ones. What do you spend on a bottle of wine?

**Andy here:** About half an hour.

Dear Andy: Yesterday, I did kind of a stupid thing. Then, today I turned right around and did another really dumb thing. I thought wisdom was supposed to come with old age.

**Andy here:** Take comfort in the fact that we learn from our mistakes. That is why I am making as many as possible. I will soon be a genius!

Dear Andy: My wife is an organizational freak, always making to-do lists. Do you think that's normal?

**Andy here:** She's not alone. I like to make lists, especially grocery lists. I also like to leave them on the kitchen counter and then have to guess what's on the list while I'm at the store.

## **BEFORE YOU HEAD BACK “UP NORTH”...**

... here's a “to-do” checklist before leaving:

\_\_\_ **Sink & shower drains** sealed off with a sturdy baggie full of water as a “plug” and saran wrap over the **toilet bowl** to prevent evaporation.

\_\_\_ **Buckets of water** placed throughout the rooms, to provide humidity.

\_\_\_ **Fridge kept on** at its lowest setting (with the freezer off) and filled with things affected by summer heat (spices, flour, pens & felt markers, batteries from clocks & remotes, medications & salves, envelopes, candles)

\_\_\_ **Golf cart batteries** topped up with water, and cardboard put under cart to reduce discoloration damage from potential battery leaks.

\_\_\_ (If your golf cart stays outside), **removal of one tire** or battery so thieves can't easily drive it away.

\_\_\_ Foil sheets, towels, and old sheets hung as extra **window shades** to reduce curtain fading and as furniture **dust covers**.

\_\_\_ Storage of your outdoor umbrella-style **clothes dryer** to prevent sun damage and heat rotting and stretching the lines.

\_\_\_ **Bug sprayer** called to annually spray around your foundations. Termites do exist in this area!

\_\_\_ **Rat/mice pellets & traps** and moth balls placed under your skirting and on top of RV tires to deter varmints getting in. That's cheaper than replacing gnawed wires and hoses!

\_\_\_ Arrangements made with someone to spray your yard for **weeds**, and water your plants/trees.

\_\_\_ **Hot water heater** switch flipped off. Why heat water when you're not there?

\_\_\_ Turn off the **water supply** at the curb to reduce the risk of leaking pipe damage. Several residents have the tool for doing that.

\_\_\_ If you do keep the water turned on, at least turn off the **toilet water valve**, located at the back of the toilet base. Water damage is costly!

\_\_\_ Consider **“paying ahead”** on the MUDD water bill that comes due while you're gone. Add a few extra dollars in case of a rate change.

\_\_\_ **Notify Credit card** companies that you're “heading home”, so they can tag any possible local unauthorized card use after your departure.

\_\_\_ **Pray** before you leave, asking for protection over your property, and also for safe travels.

**“Ask anything in My name; I will do it.” John 14:14**

There is also a Monthly Calendar printed which highlights “Special” or significant Activities that are happening, so that they stand out more and are less likely to be missed. For examples, events such as Park meetings, fundraiser meals or a Christmas concert or ice cream social would be shown on the calendar, whereas an event which occurs each and EVERY Wednesday, for example, is in the REGULAR LIST.

Residents can then personalize that monthly calendar by filling the day’s blocks with whichever events concern or interest them. Alternately, grab a highlighter and mark up the above list!
