### PRESIDENT'S MESSAGE

*Happy New year, Everyone!*

This month's Members Meeting on Jan 14<sup>th</sup> will have a full and important agenda. Please be sure to attend.

Park members will be voting for candidates to fill six Board positions. It is vital that HVR has a fully functioning Board, and it is encouraging that we currently have voting choices for each open position.

Park members will also have a chance at that meeting to hear concerns brought to the Board by a group of individuals. At their request, our legal representatives will also be in attendance to assist in addressing these issues.

It is hoped that calm and cool heads will prevail during that time, not only from both sides addressing the issues, but also from all members present at the meeting.

Please, Everyone, remember that it's okay to have an opinion or interpretation, and it's okay to disagree with someone's different opinion. It's not okay to insult, yell at, or shout a speaker down because someone doesn't see things or think the same way you do.

Let's start the new year off right, and treat each other with mutual courtesy and respect, not just at this meeting but throughout the entire year. Our Park needs more of that!

*Jim Bowans*

## **WELCOME TO 2023**

Greetings to those **LONG-TIME MEMBERS** who arrived after Christmas. We're glad you're here again!

Welcome to any **NEW OWNERS** as well.

If you see someone new in the Park, make an effort to introduce yourself to them. Find out their hobbies or interests and offer to take and introduce them to that activity's group.

Welcome new and returning **RENTERS**. You are reminded that no matter if you're renting for just a week, a month, or for the entire Season, **you must be registered at the office.**

As Renters, you of course have access to every Park amenity (except HVRPOA meetings). Your Landlord paid your lot's HOA fees for that purpose, so enjoy all that our beautiful Park offers!

You can also volunteer to help with any of the activities (you just can't be a Chairperson).

## **INFORMATION MEETING FOR NEW RESIDENTS & RENTERS**

**JAN 19<sup>th</sup> 3:00pm at 7522 Eagle Drive**

This is an opportunity to find out information about what the Park has to offer, where to find things, and/or to get answers (or find out who to contact) for any questions you may have. Bring a chair, beverage, pen & paper, and meet others!

More info: Cathy Quigley (763) 567-3577

## **Jack Martin 1926- 2022**

The man with the vision to build HVR and the other 7 sister Parks passed away Dec 6, 2022.

## **REMEMBERING JACK MARTIN**

As a tribute, we are reprinting portions of a previously printed newsletter article (from 2017) featuring interviews with some of HVR's "early settlers" and their fond dealings with Mr. Martin:

Ken (& Jan) Steinhoff: In January of 1997, HVR was basically a field with pegs marking off the streets. The Clubhouse was unfinished and there was only a hole in the ground for the pool. But by Fall, there were about 50 families and we held Park meetings with Jack present every Saturday.

Joe (& Shirley) Carpenter: Because we had no street addresses (only lot #s.), it was a hassle to get power hook-ups. Jack at least turned on my water so I could wet my new concrete.

Vern (& Jan) McClish: Mr. Martin was showing us what would become our lot (corner of Long & Bunker) when a rather crabby lady approached us with apparently yet another complaint. She asked Jack if he could guarantee her that no lean-to's or sheds would be built in the Park. Jack replied that no he couldn't guarantee that, but he could guarantee that she seemed to be the type of person he didn't want in this park. He told her to go to his office and get her deposit back.

I did a lot of the water and electrical connections for Jack, and Jan would often run up to the clubhouse to deliver messages to the builders from Jack, since cellphones weren't common then.

George (& Marion) Grothe: Mr. Martin was at our first club house meeting. He wanted to start the meeting so I shouted, "Quiet." Impressed with my military voice, Jack turned to me and said, "You should be President.", and so I was.

Many of us never met the man personally, but only know him as "the older man often seen" slowly driving through the Park in his pickup truck.

A Celebration of Life for Mr. Martin was held at LVR Dec 12<sup>th</sup>. The Hall was deservedly packed!

"At the end of the day, it's not about how much money you made or what you own. It's about how many hearts you touched and how many lives you changed for the better."  
- Maya Angelou

## **WANTED**

For many years, Peggy Beckman offered to accept donated items (such as clothing, linens, toiletries, etc) suitable for the ABUSED WOMEN SHELTER and then deliver them to the secretive location.

For health reasons she can no longer do so, and she is seeking someone to take over the role.

Contact Sandy Hurst for more information if this interests you.

## **SOME FRIENDLY REMINDERS:**

Cover the hot tub when done (no matter what time of day) to help reduce heat loss / costs.

Turn off the fans and unnecessary lights, if you're the last one out the door of any HVR building.

Please observe posted 15mph speed and STOP signs throughout the Park. This includes bikes and golf carts. SLOW DOWN.

Pick up after your pets. Non-Service Pets are not allowed in any HVR building.

If you notice an HVR item in need of maintenance or repair, please fill out a form found on the wall by the front desk. Let's nip small repairs in the bud before they become costly repairs.

If you see someone new in the Park, make an effort to introduce yourself. Find out their hobbies or interests and offer to bring and introduce them to that activity's group.

Consider walking the dog of a less-mobile neighbor a few times a week (if not daily). All three of you will benefit from this.

If you use any Park facilities, clean it up/ straighten it up when through. Leave it looking better than when you walked in.

Pick up any citrus fruit lying on the ground. It needs to be picked up often, so as to not entice rodents, or allow potential new HVR buyers to see an unkempt Park.

Walk on the left side of the street, facing traffic.

Use single file when cars are approaching.

Don't let your young grandkids drive your golf cart.

You might think it's "cute", but it is not only illegal but incredibly dangerous to everyone!

Gate remotes are available at the Office (\$15).

## **HOMEMADE HOT/COLD RELIEF**

Did you know those pricey medical ache-relief bags usually just contain barley grain. These have the benefit of being placed in a microwave or a freezer (as it won't freeze stiff) to obtain the desired temperature for relief of sore muscles.

You can make a cheaper heating pad for those sore neck pains by adding barley or uncooked rice into a sock. Knot the top of the sock and heat in the microwave for 2-3 minutes. It nicely molds to your neck, knee, and ankle curves.

## **HVR'S TURN TO HOST THE CRIBBAGE TOURNAMENT**

The Mission Area Cribbage Tournament is coming to our Park 1:30-4:30 on JANUARY 19th.

Approximately 120 players take part from Parks all over the Valley.

**As hosts, we are asking HVR owners to donate cookies, brownies, bars, veggies or whatever suits your fancy for the event. Please bring items to the hall by 12:00 noon.**

## **PENITAS FOOD PANTRY**

## **HISTORY FLASHBACK:**

**JAN 10 1901:** It was on this date that oil first gushed out of a Texas field at Spindletop (just south of Beaumont TX). It was the beginnings of what would become the GULF Oil Corporation.

The oil strike spawned other oil giants like Texaco, Amoco, and Humble (Exxon) as well.

Stripper wells continue producing to this day.

## **ANDY Lander's Advice for Men:**

Dear Andy: I'm thinking of asking my girlfriend to marry me, but I want to be sure. How do I know if she's the right one?

Andy here: Well, when I was first dating my wife, I asked her to bring me a screwdriver. She asked me, "Flathead, Phillips, or Vodka?" And THAT was when I knew she was the one!

Dear Andy: I've inherited some money, and my wife thinks I should donate part of it to charity. Would you do that?

Andy here: I did, sorta! I recently won \$10,000 in a lottery and gave a quarter of it away to Charity. I now have \$9,999.75 in my bank.

Dear Andy: I have trouble understanding my wife. She doesn't seem to mean what she says. Can you help me out?

Andy here: Here are five deadly terms used by a woman that every man needs to learn:

1. FINE: this is the word women use to end an argument when she knows she is right. At this point, you need to stop talking.
2. NOTHING: this actually means something, and you should be worried. Very worried!
3. GO AHEAD: do NOT confuse this with permission. It's a dare and don't even think about doing it.
4. WHATEVER: this is a woman's way of calling you an idiot.
5. THATS OK: She is thinking long and hard on how and when you will pay for your mistake. And, trust me, you will pay!

Bonus word: WOW: this is not a compliment. She is just amazed that you are so clueless.

## **HVR'S Notary Publics**

Lila Helm 7609 Par (507)377-2008

No service fees, but photo ID is required.

## **THINKING OF RENOVATING?**

HVR owners wishing to make ANY exterior changes to their property (such as awning, deck, shed, concrete, etc) are reminded that they must first seek approval of their plans from the HVR Architectural Committee, then obtain proper permits from the County.

Packets which set out both the Park and County rules and regulations are available at the Office.

The Architectural Committee, headed by Bill Cornell, meets every TUESDAY 10 am near the main office.

## **SOY VEY!**

Nestle's Japanese version of their KIT KAT bar is called Killo Katsu, and is flavored with soy sauce.

The Japanese also enjoy a sorbet made of water, sugar, soy sauce, & orange zest. Optional ingredient is a few teaspoons of vodka to prevent the frozen dessert from freezing solid.

Doubtful either will become popular in Texas!

**HVRPOA FEES OVERDUE?**

With everything else going on during the busy Holiday Season, did you forgot to pay your HVR owner's yearly \$300 HVRPOA fees? If so, this is a friendly reminder that it's probably now overdue. Yes, the deadline was January 2nd.

Checks made out to *Hidden Valley Ranch* should include your lot number(s). Direct deposits or bank transfers are not accepted.

**BYLAW/COVENANT REMINDERS**

It appears that the Covenant Section VI is full of frequently violated rules. The following list is not complete but does represent some of the more common violations.

You are in violation of HVR Park laws if:

- You have more than a single family (1 generation) living at your property.
- You have more than two pets at your property.
- You do not control your dog(s) barking outside at your lot.
- You do not pick up after your pet(s).
- You have a satellite or internet dish or antenna on the front 50% of your roof.
- You do not take care of your yard (weeds & fallen citrus) in a timely regular manner.

Familiarize yourself with both the HVRPOA Covenants and HVRPOA Bylaws, and **please willingly make any necessary adjustments to comply with them.**

**UPDATE ON COVENANT AMENDMENTS**

The proposed 8 covenant/bylaw changes (as listed in the last newsletter issue) has been put on the back burner for now.

The preparation for the required voting procedure did not fall into place as quickly as originally planned in order to be ready to hold a January mail-in vote as was previously planned.

## **LET'S HAVE SOME FUN AND GAMES:**

### **23 hr. SCAVENGER HUNT JAN 8<sup>th</sup> & 9<sup>th</sup>**

Back by popular request! Teams of 3 or 4 have 23 hours to collect items and take photos of items. Take your time – it is a hunt. **It's not a race!**

For example, can you collect a red facecloth? Can you spot the turtles on the grey shutters of the HVR residence and take a curbside photo of it? (You do not tramp through anyone's property). The teams back in 2020 were challenged with those tasks as well as others on the list!

Jan 8<sup>th</sup> 1:00 form teams, get rules and list of items. Plan group strategy. Hunt starts at 2:00.  
Regroup Jan 9<sup>th</sup> 1:00 for "Show and Tell".

There is **no entry fee**, ergo there are no super big prizes. Thus, it is purely for fun and perhaps will yield you bragging rights if your team wins the most points!

Sign-up sheet and rules are posted in Hall.

More info: John (956) 607-9642

### **GOLF CART POKER RUN Jan 22<sup>nd</sup>**

Seven stops will be made throughout the Park and the best accumulated/ recorded 5-card poker hand wins. It's a lot of fun!

Participants must sign-up on sheet that will be posted in hall. Then, meet at the Clubhouse BEFORE 3:30 on the 22<sup>nd</sup> to pay your \$5 registration fee.

Happy Hour with pizza and prizes at the end.

More Info: Dave (641) 799-6306

### **GOLF CART RODEO Jan 28<sup>th</sup> 1:00**

Can you drive your cart through a maze? Sure, you can! But can you do it blindfolded, guided only by a passenger's instructions? Well, let's have some fun and find out!

Entry fee: 1 can non-perishable food for Penitas Food Bank plus \$1 towards prize pot for winning teams (fastest time and/or least # pylons hit).

Sign up on posted sheets as a driver OR as a seeing-eye guide. Driver draws for their guide from a hat.

- Merle D. (563)340-1373

## **A BIG THANK YOU**

... to everyone who helped prior to the Christmas cold snap, by assisting in getting the pool covered to conserve heat and moving the HEAVY Long Drive potted plants indoors – that was no easy task! We appreciate all volunteers!

## **NEW YEAR'S RESOLUTION?**

This is Jim Thorpe. It was the 1912 Olympics and Jim represented the US in track and field.

Look closely at the photo and you can see that he was wearing different socks and shoes. This was not a fashion statement. His shoes were stolen on the morning of his competitions. Rather than complain to others or quit, he searched and found two shoes in a garbage can. But one of the shoes was too big so he had to wear an extra sock. That is the pair he is wearing in the photo. Despite wearing these mismatched shoes, Jim won two gold medals that day!

This is a perfect reminder of how we should approach 2023's daily obstacles in our lives:

**Even when life isn't "fair" or doesn't seem to be going our way, the question becomes: "What are you going to do about it today?"**

As a new morning starts each day this year, whatever issue you wake up with - stolen shoes, ill health, stress, financial difficulties - don't let it stop you from running your "race."

You can bemoan your predicament and make excuses not to get on with your day and just bring everyone around you down as well, or you can find a way around the problem, and make a positive daily impact.

In short, you can make excuses, or like Jim Thorpe, you can decide you want to have results.... but you can't have both!

**RESOLVE TO BE POSITIVE IN 2023**

There is also a monthly calendar which highlights "special" or significant activities to make them stand out and be less likely to go unnoticed. For example events such as Park Meetings, Fund Raiser Meals, or a Christmas Concert would be shown on the calendar whereas an event which occurs each and every Wednesday or every third Thursday is in the REGULAR ACTIVITIES list above.

Residents are encouraged to fill the calendar with those events which concern or interest them.

Alternately, use a highlighter pen to mark up the above list.
