## PRESIDENT’S MESSAGE

*Welcome Back* to the start of another season in beautiful south Texas. Lots of friends and neighbors have already returned to HVR with more arriving daily.

The storm last April did a lot of damage to our homes and the Park campus. We have the campus repaired but there is still a lot to be done at some homes. Fortunately the shortage of contractors and materials has eased up. Some owners are using the opportunity to upgrade/modify their homes, but remember you **MUST** seek Architectural Committee approval before any work is started.

On a lighter note, the temperatures are finally dropping to their norm. It was a brutally hot summer with very little rain. Don’t be surprised to find some of your plants may not have survived.

As most of you know, the RGV water supply (and hence ours) originates in Falcon Lake. As of this writing, the reservoir is at 8.8%. Many cities in the valley have implemented stage 2 and 3 water conservation measures. Currently we are not under any restrictions according to MUDD. Make your own decisions as to helping with water conservation.

We have many new residents who bought places over the Summer. Please introduce yourself, welcome them, and show them how great a place Hidden Valley Ranch is to relax, take part in its many scheduled activities, and enjoy life!

*Jim Bowans*

**Nov 3 9:00a Board Meeting**  
**Nov 4 9:00a Members Meeting**

**(NOTE: changed to 4th this month only)**

## WELCOME BACK, Y'ALL

It is hoped everyone had a good Summer and that you will have a great Winter Season back in HVR with other Park members!

Our "usual" regularly scheduled winter activities are starting to resume. Entertainment is booked and plans for jams, meals, craft fairs, etc are being organized and will begin asap.

**WELCOME, NEW HVR OWNERS.** We're glad you chose HVR! If you have not already done so, notify the office (to fill out a *property change of ownership* form). Bring age verification ID.

**WELCOME, RENTERS,** as well. Whether new or returnees, Renters are reminded that whether renting for just a week, a month, or for the entire Season, **you must be registered at the office.**

As Renters, you of course have access to every Park amenity (except HVRPOA meetings). Your Landlord paid your lot's HOA fees for that purpose, so enjoy all that our Park has to offer! You can also offer to help out (but not chair) any committee's volunteer request.

### **Suggestion to others**

If you see someone new in the Park, make an effort to introduce yourself to them. Find out their hobbies or interests, then offer to take and introduce them to that activity's group.

## NEW RESIDENTS' MEETING

**Nov 22nd 2:00pm at 7522 Eagle Drive**

If you're a new owner in the Park, this is an opportunity to find out information about what the Park has to offer, where to find things, and/or to get answers (or find out who to contact) for any questions you may have. Bring a chair and beverage and start meeting some nice people! More info: Cathy Quigley (763) 567-3577

## NEED AN HVR NAME TAG (BADGE)?

Nametags (with lanyard and plastic sleeve) are now available here in HVR. \$25 ea or 2/\$48. Contact: Darcy Lorsung (715) 475-9280

## HVR CHURCH ANNOUNCEMENTS

Church services resume Nov 5th

Fellowship 8:30a – Service 9:00a

We look forward to seeing everyone there!

Pastor Cliff Stewart (970) 302-7033

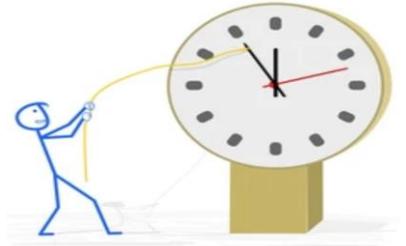

"Trust in the Lord with all your heart and lean not on your own understanding."  
Prov 3:5

Pastor Cliff is also available for consultation and/or visitation.

You're invited to join the choir (practice on Wed 3:30)

## DAYLIGHT SAVINGS TIME

Reminder to **TURN BACK** your clocks one hour before you go to bed late Saturday **Nov 4th.**

Editors & Board reserve the right to reject some submissions.

## GOOD THINGS COME TO THOSE WHO WAIT

Most Park activities will soon be up and running again, so have patience while the Organizers return to the Park and get things re-started. Some activities may have already started, while in fact a few others never stopped!

Check the attached Activity Roster for a full list of REGULAR activities (what, where, and when). Again, not all regular activities have restarted yet.

**Note: Listing may need revisions for 2023-24. Inform Editors of errors, deletions, or omissions.**

There is also a calendar you can fill in with those activity events of interest to you.

## SAFETY REMINDERS

- Observe posted speed and STOP signs throughout the Park. This includes bikes and golf carts. PLEASE SLOW DOWN.
- Walk on the left side of the street, facing traffic. Use single file when cars approach.
- Don't let your young grandkids drive your golf cart. You might think it's "cute", but it is not only illegal but incredibly dangerous to everyone!

## OTHER REMINDERS

- Park residents in temporary need of crutches, a cane, a rolling walker, potty chair, or wheelchair may borrow them free from the Office (if not already loaned out).
- Pick up after your pets. Non-Service Pets are not allowed in any HVR building.
- Consider walking the dog of a less-mobile neighbor a few times a week (if not daily). All three of you will benefit from this.

## ENTERTAINMENT UPDATE

We are pleased for this upcoming Season to bring you another diversified slate of Monday night Entertainers (starting Dec 18th) as well as for our Saturday night Dances (starting Dec 9th).

Look for more details in December's newsletter.

- Chuck Bryant, Chairperson

## THOUGHTS FOR THANKSGIVING

Life is so fragile and all it takes is a single moment to change everything you take for granted. Focus on WHO and what's important and BE GRATEFUL for all the good things that surround you everyday.

You are blessed! Appreciate it!

May your stuffing be tasty & your turkey be plump.  
May your potatoes and gravy have never a lump.  
May your yams be delicious & your pies take the prize,  
And may your Thanksgiving dinner stay off your thighs!

## Re: PARK COVENANTS

Recent changes in Texas Laws will require corresponding changes to SOME of our Covenants. Those updated covenants affected by the new State laws will require voting (by mail).

The necessary covenant changes and a verified voting list are currently being prepared. Look for details on the proposed changes and the voting procedure in December's newsletter.

Please note however, **the majority of HVR's covenants are still intact.** HVR owners are reminded they must abide by these Park Covenants (which are posted on our website).

Here's one covenant in particular offered as a reminder for those making changes versus repairs to their property following last April's windstorm:

### **Section 6 Lot Restrictions Par. 3**

a. Every building, structure, dwelling or other improvement which is construed or placed on any lot in said subdivision shall comply with all applicable laws, ordinances, building codes, rules and regulations and must be approved by the Architectural Committee prior to construction and/or alteration. The Architectural Committee shall review plot plans, quality of workmanship and material, with harmony of exterior design and suitability of location in mind. A copy of the approved plot plan should be conspicuously displayed at the construction site prior to ground breaking.

## LEARN THE SIGNS OF STROKE

**F**ACE: Is it drooping?  
**A**RMS: Can they raise both?  
**S**PEECH: Is it slurred or jumbled?  
**T**IME Call 9-1-1 right away.

Act **FAST** because the quicker you act, the more of the person you save.

## OVERHEARD:

"How are you feeling?"  
"More and more like less and less!"

## VETERANS TRIBUTE

*Thanks!*

We give thanks every day - and especially on November 11th - to our HVR Vets and anyone else who has served in ANY branch of the US military.

We also pray for the safety of those family members and others who are currently serving.

## CRIBBAGE TOURNAMENTS

The weekly Cribbage tournaments restart Wed Nov 1st 1:00p in HVR's Annex Building. Cost is 60c and is open to other Park residents.

The Mission Area Cribbage Tournaments resume December 1st, starting in Leisure Valley, then play bi-weekly in different Valley Parks. Seasoned players invited. Cost is \$4/ couple

Registration starts 12:30 Play starts 1:30  
MACT info: Joe R. (847)583-2852

## VOLUNTEERS NEEDED

As another busy Winter season begins, this is a reminder that the Park needs more Volunteers. There's big and small tasks from which you can choose. Some tasks require as little as 15-20 minutes once a week or maybe an hour once a month (for example, setting up Craft Fair tables). Renters can volunteer (but not chair), too. Consider grabbing a buddy to share the work!

**If you DON'T volunteer, please refrain from criticizing those who do!**

Let's all be kind and less critical of one another and, instead, just enjoy all that our Park has to offer. We appreciate everyone who pitches in to help make it happen in their own way!

## POETRY CORNER

A tutor who tooted a flute  
Tried to teach two young tooters to toot.  
Said the two to the tutor,  
"Is it harder to toot, or...  
To tutor two tooters to toot?"

## HVR'S Notary Publics

Lila Helm 7609 Par (507)377-2008

Sallie Remington 2500 Fairway Ct.  
(509)539-3510

If you require someone to **witness signatures** for such things as your Warranty deeds, Affidavits, Deed title transfers, Rental agreements, and/or Medicare enrollments, they can help.

No service fees, but photo ID is required.

## GATE REMOTES

HVR residents and renters needing "after hours" passage through the HVR gate require a remote, available at the Office (\$17.50).

**PS:** If you ever need to get out of the Park in the middle of the night for a medical emergency or early flight, and you don't have the means to open the gate, you can **drive over to Leisure's gate**. It automatically opens for any vehicle that slowly approaches it.

(Note: You can get out that way, but not back in.)

## RECYCLING PROGRAM

**When?** Every Thursday 7:30 – 9:00am

**Where?** Clubhouse Parking lot (north side)

### **Items recyclable:**

Aluminum beverage cans, Cardboard (flattened), Newspaper, Other paper, Plastic bottles (squashed to save space), Glass bottles (rinsed), Tin cans (rinsed out & labels removed)

### **Items NOT accepted:**

Styrofoam, Batteries, Aerosol cans, Scrap plastic and metal.

Run by the Childress's with volunteer help collecting/driving/donating for gas

## DOG OWNERS BEWARE

XYLITOL (also being marketed as BIRCH SUGAR) is a harmful ingredient to your fur babies. It is more frequently being used as a thickener in peanut butter and ice cream, but is highly toxic to dogs and can cause liver failure or death.

Always check labels carefully and refrain from offering your pet any treats with this ingredient.

## NOT RECEIVING PARK E-MAILS ?

First, check if it's going to your junk mail.

Secondly, do we have your correct or your most-recent email address in our files?

If you have questions please call Ray Fink at 402-733-8972 or email [Webmaster@hvrpoa.com](mailto:Webmaster@hvrpoa.com)

## OIL CHANGE INSTRUCTIONS

### **For women:**

1. Drive to dealership. Relax in the waiting room with a complementary cup of coffee.
2. Forty-five minutes later, scan debit card and leave in your properly maintained vehicle.

Money spent: Oil change: \$60

### **For men:**

1. Drive past dealership on way to Walmart to buy oil, filter, drain pan, kitty litter, hand cleaner, and beer.
2. Back home, first open a beer and drink it.
3. Spend 45 minutes looking for jack rest stands. Finally find them behind garbage bins. In frustration, open another beer. Jack up the truck.
4. Place drain pan under engine. Look for proper 9/16" wrench for 15 min. Give up and use crescent wrench.
5. Unscrew drain plug, which drops into pan of draining hot oil, splashing some onto your arms and face. Cuss.
6. Crawl out from under truck to wipe off oil. Remove drain pan. Throw kitty litter on spilled oil. Have a beer.
7. Spend 20 minutes looking for oil filter wrench. Give up and crawl under truck and hammer a screwdriver through oil filter and twist filter off.
8. Crawl out from under truck with oil filter in hand, which is spurting oil everywhere from the holes. Cleverly hide old oil filter amongst trash in garbage can to avoid environmental penalties. Drink another beer.
9. Install new oil filter. Pour first quart of fresh oil into engine.
10. Cuss as new oil spills all over garage floor. Hurry to find forgotten drain plug in drain pan Throw kitty litter over spilled oil. Open another beer.
11. Crawl back under truck to install drain plug. Get kitty litter in eyes and wipe eyes with same oily rag that was just used to clean drain plug. Rapidly blink eyelids.
12. Slip crescent wrench while tightening drain plug and bang your knuckles on truck frame, removing all excess skin between knuckles and frame. Cuss more.
13. Throw stupid crescent wrench, which bounces off floor and hits truck, putting small dent in side panel. Begin lengthy cussing fit.
14. Clean up hands and apply bandages to knuckles to stop the bleeding. Have a beer. Have another beer.
15. Pour in five quarts of fresh oil, and lower truck from jack stands. Grab another beer.
16. Back truck out of garage and apply more kitty litter over spillage area. Drink last three beers.
17. Take truck for a test drive. Get pulled over and arrested for DUI. Truck gets impounded.

Money spent: Parts: \$128.27

DUI fine: \$345. & 3 points

Total: \$473.27

But, hey, you know the job was done right!

## HOA FEE INCREASE

After a special meeting of the HVRPOA Board on Oct 16th, the annual Park HOA fee has been increased from \$300 to \$350. This is the first increase since 2009, and will go towards major maintenance needs in the next year or two. These hefty-priced repairs include a new roof on the annex building, resealing the Hall roof and replacing its aging AC units, and remodeling the Hall restrooms to bring them up to new Texas code standards.

2024 fees are due on or before Jan 2nd.

## KEEPING THE PARK SHIP-SHAPE

If you use any Park facilities, please clean it up / straighten it up when you're through. Leave it looking better than when you walked in!

If you notice an HVR item in need of maintenance or repair, please fill out a form found on the wall by the front desk. Let's fix small repairs before they become big repairs. Thanks!

## KEEPING YOUR LOT SHIP-SHAPE

Residents are reminded that yard weeds must be kept under control. It is surprising how quickly the weeds will pop up and thrive through the gravel rocks, despite the heat or lack of water.

As well, be diligent in collecting fallen citrus fruit to deter snakes and rodents. This may require ground pickup as often as twice a week.

If you're not yet here (or won't be) for the Season, please **make arrangements with someone** to check on fallen citrus fruit and to maintain your yard cleanup and weed control spraying as often as necessary. Be sure to collaborate with any provider regarding what your expectations are versus their actual services.

The office should be aware of the contact info for this cleanup person. Otherwise, you run the risk of forcing the Park to have to hire someone and send you the bill.

Let's keep the Park looking fresh and clean for other owners, visitors and potential buyers alike.

## THINK

It's what you do when you can't thwim!

## CRAFT FAIR

The first craft fair of the season is Nov 18th. Here's an opportunity to browse and buy a unique Christmas gift for that special person, then enjoy a nice lunch and scrumptuous dessert.

Volunteers are needed to help set up tables on Friday and/or take them back down after the Show. Call Gary Batten (918) 742-0177

For new residents, please note this is also the time when many park-wide patio sales take place. Be prepared to set up early in the AM.

## ANDY Lander's Advice for Men:

Dear Andy: I'm retired, and recently a new young couple moved in across the street. He gives her a big kiss every morning when he leaves for work. My wife complains and wants to know why I don't do that. What should I tell her?

**Andy here:** Two things. First, that you don't go to work. Second, you don't even know that woman!

Dear Andy: I took a girl to a restaurant on our first date, and when the check came, she said, "It's a guy's duty to pay the bill at a restaurant. That's why it's called a MENU." Is that true?

**Andy here:** I'm thinking it's the responsibility of both parties. That's why it's called ME'n'U.

Dear Andy: When my girlfriend wears leather clothing, my heart beats faster, and my throat goes dry, I get weak in the knees and begin to think irrationally. Why is that?

**Andy here:** That's easy! It's because her leather clothing has that new truck smell that all men love.

Dear Andy: I have some serious financial problems, and the banks won't help me because of my bad credit rating. Any ideas on where I might get some money to pay off my debts?

**Andy here:** Borrow money from Pessimists. They don't expect to ever get it back.

Dear Andy: My husband never listens to me, and my best friend says hers doesn't either. What is it with you men?

**Andy here:** Apparently no one told you that when you get a husband, the ears are sold separately.

## **THINKING OF RENOVATING?**

Making minor repairs to your property caused by the April 29th windstorm is one thing, but HVR owners wishing to use the opportunity to CHANGE any of their exterior lot "footprints" (such as add concrete or build/enlarge/raise an awning, for examples) is a different matter. Owners are reminded that they must **first seek approval** of their plans from the HVR Architectural Committee, then obtain proper permits from the County.

Packets which set out both the Park and County rules and regulations are available at the Office.

The Architectural Committee meets Tue 10am. Sign the appointment book by the front desk.

## TO BOOK ANY PARK ACTIVITY

1. Pick up the appropriate request form at the front desk (or directly from the wall rack).
2. Complete the form and return it to the activity file in the same rack.
3. Upon confirmation (or denial) from the Board through the Activities Director, your form will be placed back in the appropriate file in the rack.

Do not just assume your activity is a "go" until you receive notification via your form being returned to the rack. Be patient. This process may take several days.

Our Activities Co-ordinator is Pat Hammond.

## THE GOOD AND THE BAD

### **The good:** Watermelon

Watermelon is indisputably a flavorful and nutrient-packed fruit. Now, new research further illuminates its vital role in boosting dietary quality and supporting heart health.

According to the study, consuming watermelon helps the body to better absorb the nutrients of fiber, potassium, vitamin C, lycopene and other carotenoids found in other foods, while lowering the absorption of added sugars and saturated fatty acids. Watermelon juice also protects vascular functions during hyperglycemia.

### **The bad:** cans from unboxed beverages (It's the cans themselves, not their contents)

Health awareness has been issued after the recent deaths of two persons in another State from leptospirosis. The unboxed cans were/are stored in warehouses and then on store shelves, and the infective organism leptospirai (within dried mice urine) was found on the tops of the cans.

A subsequent cross-country study showed that **tops of many beverage cans are contaminated** more than we'd like to think or believe!

So, wash and wipe all the tops of your beverage cans before placing in the fridge and/or before opening and putting them to your lips.

## UPDATE YOUR PROPERTY ADS

It's discouraging for potential buyers and renters to find hall postings that are already rented or sold. Please have your postings removed.

There is also a monthly calendar which highlights "special" or significant activities to make them stand out and be less likely to go unnoticed. For example events such as Park Meetings, Fund Raiser Meals, or a Christmas Concert would be shown on the calendar whereas an event which occurs each and every Wednesday or every third Thursday is in the REGULAR ACTIVITIES list above.

Residents are encouraged to fill the calendar with those events which concern or interest them.

Alternately, use a highlighter pen to mark up the above list.
