PRESIDENT'S MESSAGE

First, I would like to thank all the outgoing HVR Board members who gave of their time and efforts in helping run the Park: Karen Neil, Shawn Quigley, and Pat Hammond.

Next, thanks to all the candidates of last month's elections who were willing to offer their time and talents. Congratulations and welcome aboard to Clara Schiebout, Mark Gurley, Scott Edgar, Jean Orton, and to (returning) Ed Adams. It is encouraging to have a fully working Board.

Finally, thanks to all the Volunteers that help keep this Park running. This includes (but is not limited to) the Architectural Committee, the Maintenance volunteers, the Front desk volunteers, the people that keep our website up and running, the kitchen workers, those behind-the-scenes volunteers who spray for weeds, water the plants on Long Drive, package the trash bags, restock the coke machine, test the ph-levels in the pool, and deliver rock mail, and decorate the Hall.

Then there are the chairpersons of all the fun activities and their helpers who set up/clean up for the Park meetings, Entertainment, Dances, Craft Fairs, and all the card games.

It is because of the help and support of our Volunteers that this Park runs smoothly, and has such a full slate of activities going on every day, which in turn help make this the great Park that it is!

Next time you see a Volunteer, tell them you appreciate their efforts!

Jim Bowans

Feb 8th 2:30 – 4:00 Main Hall

Photo presentation of this Eastern Canadian province that shares part of its border with Maine.

Whether you've never been there, or visited once and want to revisit, come see and hear about the things that make this small province such an interesting place to visit. Just for starters, it has the World's highest tides, the longest covered bridge, and the largest grower/processor of frozen French fries in the world! Not bad for a little province!

Learn how cars in neutral seemingly roll UP one particular hill, and about the towns where the McFlurry, the scuba tank, the foghorn, and thermal windowpanes originated.

And those Fall leaf colors? It's called the picture province for good reason. Come see why!

ANDY LANDER'S ADVICE FOR MEN

Dear Andy: My wife and I are thinking of not giving our first child a second name, as we think they're useless. Are we making the right decision?

Andy here: I think you're making a big mistake. The sole purpose of a child's middle name is so he knows when he's in really big trouble.

Dear Andy: My wife nags me and says I'm lazy and don't help with house chores. Do you think that makes me lazy?

Andy here: Lazy is a very strong word. I like to call it "selective participation".

Dear Andy: my wife says I should be eating more fruit daily. What's your view on that?

Andy here: You're asking the wrong guy. Someone once offered me grapes, but I declined. I'm not used to consuming wine in pill form.

OVERHEARD:

"Why does my wife always wait until I'm at the opposite end of the house before asking me to 'Merm frner mernferr brnerfer'?"

FUN FACTS ABOUT LEAP YEARS

1. Julius Caesar introduced the first calendar leap year in 46 BC

2. Leap year babies are called leplings or leapers. (Not to be confused with Lepers!)

3. It's now an outdated custom, but Feb 29th was once traditionally a day on which women were allowed to propose to men.

(Anyone remember the L'il Abner comic strip, when they called it Sadie Hawkins Day?)

Feb 29th: Leap Day

Why not use this year's EXTRA DAY to be EXTRA NICE to someone openly or secretly?

Here's some ideas:

- Give a note of appreciation to someone (or to several, especially our Park volunteers).
- Leave a treat on someone's doorstep.
- Make a "coupon" offering to pay for next week's Bingo, for example.
- Buy a meal ticket for a single resident, and have them join you at the dinner.
- Wash an elderly neighbor's car.
- Do a "pass it forward" deed.
- Make a small casserole (or dessert) for someone sick.
- Tell your neighbor why you're glad to have them as a neighbor.

Extra Day = Extra Blessing for both of you!

TO THINE OWN SELF BE TRUE ?

Worth repeating: 58 million pounds of chocolate will be purchased in the USA in the week leading up to Feb 14 Valentine's Day.

But before you think there are a lot of romantic couples out there, a Candystore.com survey revealed that **43% of Americans buy the candy for THEMSELVES!**

Someone pass the Hershey peanut butter cups!

(PRE) VALENTINE PARTY

Feb 13th (because the 14th was booked, and that's ok)

POT-LUCK: 5:00pm

Bring a dish to share, and your own beverage and table service.

Then, stick around to watch (and hopefully take part in) an attempt at a new Park game:

FRIENDLY FEUD: 6:00pm

Loosely based on the TV game show *Family Feud*, but in a simplified form to allow as many participants/rounds to take part as time allows.

Teams of three compete against each other, hoping to outlast their opponents by giving the most popular survey answers.

Ex question: Fill in the blank: Happy _____. Everyone can do that, but the challenge becomes did you pick one of the top 4 answers most often given by 100 people surveyed in the Park? (Birthday was popular; Gilmore wasn't)

Hopefully, *FRIENDLY FEUD* will be a fun game to play and watch, and will become another annual fun event for this Park. - John C

PING PONG

There is now a fold-up Ping Pong table in the Activity Center, available for use when regular activities are not scheduled for that room. Rules and times are posted on the wall nearby.

GATE REMOTES

Gate remotes are available at the Office (\$17.50).

PS: If you ever need to get out of the Park in the middle of the night for a medical emergency or early flight, and you don't have the means to open the gate, you can **drive over to Leisure's gate**. It automatically opens for any vehicle that slowly approaches it.

(Note: You can get out that way, but not back in.)

SUMMERTIME YARD CARE

Residents are reminded that **all lots** should be repeatedly cleaned of palm tree fronds and citrus fruit rotting on the ground. This deters bugs (ants and other creepy-crawlies) as well as rodents (mice and rats), which in turn will attract snakes.

As well, weeds must be kept under control. It is surprising how quickly the summertime weeds will pop up and thrive through the gravel rocks, despite the summer heat.

Please **make arrangements** with someone to check on and maintain your Summer yard cleanup and weed control spraying as often as necessary.

Complete the office form naming your "yard care" person. Without a contact name on file, you run the risk of forcing the Park to have to hire someone and send you the bill.

There are some yard-care service providers within the Park. Ask around for names, or check the list posted by the front desk.

Be sure to collaborate with any provider regarding what your expectations are versus their actual services.

THINKING OF RENOVATING?

HVR owners wishing to CHANGE any of their exterior lot "footprints" (such as add concrete or build/enlarge/raise an awning, for examples) are reminded that they must **first seek approval** of their plans from the Architectural Committee, then obtain proper permits from the County.

Packets which set out both the Park and County rules and regulations are available at the Office.

The Architectural Committee meets Tue 9 am. Sign the appointment book by the front desk.

HVR'S Notary Publics

Sallie Remington 2500 Fairway Ct.

If you require someone to **witness signatures** for such things as your Warranty deeds, Affidavits, Deed title transfers, Rental agreements, and/or Medicare enrollments, either one can help.
